2020/5572/P	Bayazid Noor	20/01/2021 20:38:07	SUPPRT	<p>I have been a user of this centre for many years and have benefitted from this community project.</p> <p>I have looked at the plans and can see the space usage is maximised. The building was in need of a more functional layout, having the large hall to the rear with natural light is an absolute necessity.</p> <p>I know the centre has never encroached onto park space and always simply had a fire exit onto the park.</p>
