Dear Nick,

Re: 42-44 Belsize Park and Land Adjoining 79 Belsize Lane, London, NW3

Please find enclosed copy of the landscape specification as requested along with further copy of Drawing 850/1B, and Partridge Associates' letter of specification and attachments regarding proposed irrigation.

Please note that the irrigation is intended to run over slab areas outside the deep root tree pits and not over the gardens to the houses.

I understand from our recent conversation that this will conclude details you require to agree discharge of landscape conditions.

Yours Sincerely,

Dudley Haspineall
