There is one at the sports centre, another above the community centre and one in the Hampstead theatre, along with cafe stalls in the market. Anymore will be over kill. Furthermore, and of great important and respect for the very local community, the cafe's that are available respect the need for those of us who reside in the family homes and senior residential home surrounding the open space area, and so close in the evening, i.e. 6pm or if open i.e. the Hamp theatre cafe are kept indoors, no outside noise of chatting and talking to disturb the residents. The open space at night time acoustically has loud echo even low conversations came be heard in detail.</p>
