20th January 2021

Letter in support of application for Belgrove House. ref: 2020/3881/P

To whom it may concern

I am writing on behalf of Reef Group, developers of the Ugly Brown Building on Pancras Way, to offer our support for the planning application 2020/3881/P to deliver a purpose built UK headquarters and Discovery Centre for the global life sciences company MSD in the heart of the Knowledge Quarter at Belgrove House, Euston Road, opposite King's Cross and St Pancras Stations.

As a member of Camden's business community we wholeheartedly support these proposals to deliver a state-of-the art new home for c. 800 clinical researchers and office staff alongside publicly accessible retail and event space, meeting, exhibition and education space, improved public realm and a new step-free tube access to King's Cross station right at the heart of the Knowledge Quarter.

We wish everyone involved every success in making this project and ambition a reality.

With kind regards,

Pete Langly-Smith
Development Director
