Application type: Householder application

Dear Sirs,

It has come to my notice from differing sources, regarding the work to be carried out on 8 Richardson's Mews. That I haven't been contacted personally I assume is an oversight, though I have looked at the plans which came my way with great interest.

I have lived in the basement of 20 Conway Street for more than 50 years, and looking at the proposed works I am wondering how they would affect me. Naturally I am very aware of light and of privacy. The latter I can live with - this is Central London after all, but losing the slightest bit of light is precious to me, which looks possible from my reading of the plans, and that I cannot condone.

I look forward to some reassurance from you.

Sincerely ..... Edward O Merwood
