

Fencing Specification.

2.4m x 125x100mm reinforced concrete posts at 1800mm centres having 3x10 rails (3.6m x 100 x 38mm) fixed to concrete posts with galvanised bolts. Vertical butt jointed boards nailed to rails with galvanised nails.

Fencing to have galvanised strap wire fixed with galvanised staples to prevent removal of boarding.

All timber to be treated.

JMK/5025/P

This scheme is subject to town planning and all other necessary consents. Dimensions, areas and levels where given are only approximate and subject to site survey.

All dimensions are to be checked on site. Any discrepancies are to be reported to the architect before work commences. Figured dimensions only are to be taken from this drawing.

This drawing is to be read in conjunction with all relevant consultants' and/or specialists' drawings/documents and any discrepancies or variations are to be notified to the architect.
