Dear Patrick

Hugh Cullum, Chair of the Advisory Committee, was invited to view the site in October 2019, by the heritage consultant who was advising Mr and Mrs Smith.

We do not object to the application on the basis that the level of harm to the building and Conservation Area caused by the lift is relatively low and is balanced by the proposed improvements ie, removal of stair partitions, restoration of original plan forms on lower floors etc.

We think that the building will benefit by being in the ownership of one family who see it as a home to cherish and appreciate rather than an investment.

We also support the prospect of making it more accessible to the disabled.

Best wishes

Debbie Radcliffe
