Dear Sir/Madam,

I write regarding Application no: 2020/5168/P and specifically the erection of second Floor infill extension at 8 Richardson's Mews, W1T 6BS.

As an owner of 18 Conway Street, W1T 6BE, which backs on to 8 Richardson's Mews, I object to this application for the following reasons:

1) Loss of light

- a) Basement & ground floor - near complete obstruction of sky from windows on these floors
- b) First floor and stairwell to second floor - obstruction of light within 45 degree code of windows (in vertical plane)

2) Reduced privacy to across 3 floors (ground, first and second)

I ask that this reduction in light and privacy please be taken into account in any decision regarding this application.

Yours faithfully,

Charles Romito
