5. Description of Your Proposal

What was the original application type?

Householder Planning Permission

For the purpose of calculating fees, which of the following best describes the original application type?

- ☒ Householder development: Development to an existing dwelling-house or development within its curtilage
- ☐ Other: anything not covered by the above category

6. Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

All existing timber double-hung sash windows to be removed and replaced with double glazed, double-hung timber sash windows to match.

Are you intending to substitute amended plans or drawings?

☐ Yes ☒ No

Please state why you wish to make this amendment

Upon opening up works on site it has become apparent that many of the existing windows have either rotted or warped in their frames and are no longer fit for purpose.
Replacing with slim double glazing units allows us to increase the thermal performance of the house while still maintaining the same appearance externally.

7. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

☒ Yes ☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent
- ☐ The applicant
- ☐ Other person

8. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

☐ Yes ☒ No

9. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

10. Declaration
