Dear Sirs

We are Archie Sherman Trust Nominees Ltd the owners of 274 Kentish Town Road and we want to file an objection to the proposed major work adding another floor to the 272 Kentish Town Road.

Our building is a shop on the ground floor and 2 upper floors of offices. We are very concerned about the complicated work which will be undertaken and will instruct our own party wall surveyors. This building is not very strong and we are concerned that it could be damaged by the work that they wish to carry out.

When our surveyor has examined the plans we will ask them to contact the planning officer handling this application if you will kindly let us know his email.
