Hello,

I have objected since the start to Essential Living's always monstrously hideous, grotesquely huge, and totally unsuitable project for this quiet residential area.

It became steadily worse and less safe with each proposed change to the plans.

The new proposal, with NO social housing, and tawdry cheap cladding, is the worst so far.
It has all the previous faults, plus the above.

No self respecting Labour Council - nor one of any political stripe given its disadvantages for us residents, - could possibly approve it in good conscience, and if you do, your voters and residents will never, ever forgive you.

Yours
Jane Johnson
