1st Feb 2021.

I **OBJECT** to the cladding newly proposed for Essential Living's monstrous build at 100 Ave Rd., it is far too extravagant. This new proposal shows a poor sense of economy. Essential Living could further reduce their costs. May I suggest cardboard cladding. This is cheap, not at all inflammable, and so much easier to dismantle when the community's democratic wishes are finally respected and the monstrous eyesore build will be removed.

Sincerely, Elaine Chambers
