Submission (LPA Ref: 2019/5882/P)**

Dear Sir/Madam,

Wildstone Planning have been instructed by Brill Place Limited to submit an application to discharge Condition 139 (Air Quality) for the above-mentioned planning permission granted 1st July 2020.

Condition 139 – Air Quality

“Prior to superstructure works, a statement setting out the air quality implications of connecting to Somers Town Energy District Heating Network shall be submitted to and approved by the Council. The statement shall demonstrate that the air quality implications are not materially different to those already approved for the District Heating Network. The proposals shall comply with this report thereafter.”

In order to satisfy the condition, the following documents are included within this submission:

- Completed application forms prepared by Wildstone Planning;
- Air Quality Statement, prepared by Cudd Bentley (12th January 2021)

Please do not hesitate to contact me should you require any further information.

Yours faithfully

Annie Reid
Senior Planner
