Dear Mrs Hipkins

Re: Revised planning application at 18A Ainger Road, London NW3

With reference to our recent conversations regarding our planning application at 18A Ainger Road, NW3. I have now discussed the situation with my clients who are prepared to revert to the original conservatory extension Drawing 502/99/A with the removal of the spiral stair from the proposed application and the use of obscure glass in the side elevation.

Please find enclosed five copies of the Drawing showing revisions.

Yours sincerely

Geoff Kennerley
