[EXTERNAL EMAIL] Beware – This email originated outside Camden Council and may be malicious Please take extra care with any links, attachments, requests to take action or for you to verify your password etc. Please note there have been reports of emails purporting to be about Covid 19 being used as cover for scams so extra vigilance is required.

I note that the applicant has responded to neighbour objections but has not addressed objections of my family (strawbridge family) who live next door and are most effected by the proposed development.

I also note that my consultation response was added to the website on 5 January whereas it was submitted on 7 December within the consultation period.

Please confirm my objections will be taken into consideration by the planning officer.

Kind regards

Lesley Strawbridge
