To whom it may concern,
Please do not allow this beautiful tree to be cut down.
My flat looks over the garden of 10 Nutley Terrace. They have cut down almost every tree in the garden, the weeping ash is one of the very few left. The whole property/garden and flats opposite are totally exposed now changing what used to be a pretty green view, cutting down all of the trees has made it noticeably noisier too. It is worrying what this is doing to our environment.
Kind regards
Lisa Roberts
