| 2021/0025/P | anthony Richards | 11/02/2021 12:07:02 | COMMNT | I am dismayed and appalled that EL are now wanting to replace the approved 36 affordable units with private rental flats. This surely goes against both Camden and National guidelines. It is a blatant money-grabbing exercise and shows total disregard for the area and what is of most need. The original application was originally thrown out by Camden and only allowed after government intervention. This is far worse and cannot possibly be allowed. |
