2021/0124/P	Mei Suen	10/02/2021 13:46:28	OBJ	Dear Sirs

I strongly object to this roof extension.

The reasons are:

- it is a listed building, so will be totally out of character.
- it will look out of place in this row of terrace houses, with an overbearing structure.
- it seems to be very oversized and imposing.
- the design is very poor and not in keeping with the area.

Thank you very much for taking my comments into consideration.

Kind regards

---
