Dear Ms Fieldsend

Planning Application :24 Priory Road. NW6 4SG Ref 2020/5235/P

We write in respect of the application to combine the ground and first floors of 24 Priory Road. Firstly, as the immediate neighbours of this property, we would like to say how much we welcome the proposal overall, which will significantly enhance the rear aspect of the property. Secondly, we are entirely content for the external staircase to be at the western side of the property, ie adjacent to our property. We have studied the plans and discussed them with the applicants, our neighbours, and we are satisfied that it will not impact adversely on us in any way. We are content that the staircase is to be of rendered brick or stone. In sum, we wish to support fully the application you have received from Mr and Mrs Balcombe.

I hope you find this letter helpful.

Yours sincerely

Sir Martin Harris
Lady Barbara Harris
