I am writing in support of the planning permission application by Judith Peak at 1 Falkland Road, NW5 - application ref: %2020/5904/P%

I lived next door to Judith (3 Falkland Road) for 4 years and absolutely love her vision! I grew up in Camden and Falkland Road has always been one of my favourite streets to walk down with all the beautiful colourful houses and No.1 has always been my favourite house on the road! I believe Judith was the first person to start the colourful house's in the area years ago and she is a big part of the local community! I've spent a lot of time with Judith in her house and it is amazing and truly unique on the inside and extremely beautiful as well from the outside.

I love the plans and think they would really add something to the house and the road, I think DaeWha ideas and plans are really incredible.

I no longer live in Camden but I still visit Kentish Town and Judith a lot and hope the application gets approved.
