2020/5759/P	Simon Kirsch	17/02/2021 11:49:16	COMMNT	<p>We object to the planning application on the following grounds:</p> <ol style="list-style-type: none"><li>1. The proposed raised roof line visible from Arlington Road will further damage the original and unique street scene of Camden residential property.</li><li>2. The proposed raised roof line will negatively impact our property, increasing shadow and reducing available light on our lower floors.</li><li>3. The proposed large new windows at the rear of the building are out of keeping with the design of the other terraced houses in the street and will directly overlook our property.</li></ol>
