Subject: 2021/0180/P - 110 Greencroft Gardens - cycle storage condition

Hi Josh/Rav,

Discharge of Condition 4 (Cycle Storage Details) granted under reference 2018/5981/P dated 20/08/19 for installation of dormer to front roof and 2 x roof lights. Establish 2 x new HMO rooms at ground & third floor. Erection of a bin store to front garden. Reorganisation of layouts on all floors.

I have reviewed the cycle storage proposal. 9 Sheffield stands for 18 cycle spaces would be provided at the rear under a covered space. The proposed space between each stand would be 750mm. This space must be at least 1000mm apart as the general footprint required for each cycle is 500mm in width. Please request a revised plan from the applicant.

Kind Regards,
