**TfL Spatial Planning Reference:** CMDN/21/6  
**Borough Reference:** 2021/0351/P  
**Location:** Space House 1 Kemble Street and 43-59 Kingsway, WC2B 4TE  
**Proposal:** Removal and like for like replacement of windows to the north and south of the Kingsway building, removal of link bridge roof, reconfiguration of the UKPN facade to the Kingsway block and removal of brickwork and replacement with louvres to the Tower UKPN substation.

Dear Laura,

Thank you for contacting Transport for London (TfL) on the above application. TfL have the following comments.

- A Construction Logistics Plan (CLP) should be provided in line with TfL guidance found at <https://constructionlogistics.org.uk/wp-content/uploads/2020/03/CLP-Guidance-by-CLOCS-March-2020-v1.5.pdf> if not already done so. This should be secured by condition.
- All vehicles associated with the works must only park/stop at permitted locations and within the time periods permitted by existing on-street restrictions.
- The bus routes on Kingsway must not be blocked by construction vehicles and construction must not disturb bus operations.
- TfL strongly encourages the applicant to comply with FORS standards as TfL supports the use of freight operators with FORS silver or gold membership because it is imperative that road safety measures are considered, and preventative measures delivered through the construction and operational phases of the development.
- All contractor vehicles should include sidebars, blind spot mirrors and detection equipment to reduce the risk and impact of collisions with cyclists and other road users and pedestrians

Kind regards,  
Emily
