notes:
The architect accepts no responsibility for any costs, losses, claims howsoever arising from these drawings, specifications and related documents unless there is full compliance with the client and any authorised user of the following:
1. All boundaries, dimensions and levels are to be checked on site before construction and any discrepancies are to be reported to the Architect / Designer.
2. Partial Service: Any discrepancies with site or other information is to be advised to the Architect / Designer and direction or approval is to be sought before the implementation of the detail.
3. Block and site plans are reproduced under license from the Ordnance Survey.
4. This drawing is prepared solely for design and planning submission purposes. It is not intended or suitable for either Building Regulations or Construction purposes and should not be used for such.
5. For the purpose of coordination, all relevant parties must check this information prior to implementation and report any discrepancies to the Architect / Designer.
