Dear Mr Marfleet

RE: Planning Application 2017/1910/P

As a leaseholder of 23 Canfield Place, I am extremely disappointed that the Local Authority failed in their obligation to consult neighbours regarding the above planning application.

I would like to record my objection against the application on the grounds of: -

1. Loss of light to my property due to the excessive height of the development.
2. Lack of privacy due to the overlooking of the roof terrace.

Please forward all future correspondence to my email address above.

Yours Sincerely

Mrs M Christodoulou
