Hi Sofie,

The property was registered in 2017.

To clarify, as per the recent approval from Camden at 67 Bayham Street (attached), this application seeks a lawful development certificate to confirm the lawfulness of an existing use. The existing use of the site is a single dwellinghouse accommodating six children/young persons at any one time and receiving care under the supervision of qualified support staff (Use Class C3b).

Kind regards

Matt Hill

Dear Matt,

I have tried phoning you this morning but couldn't get through.

I am writing on behalf of John Sheehy the case officer for this site.

Can you just confirm what date this site began its use as a children's home please?

A quick response would be appreciated.

Kind regards,
