

- Notes
1. This drawing is not to be scaled. Work to figured dimensions only.
 2. This drawing is to be read in conjunction with all relevant services, architectural and structural drawings.
 3. This drawing shall not be used for detail or measurement of architectural or structural works.
 4. All dimensions in millimeters unless stated otherwise.
 5. All datum levels in meters unless stated otherwise.
 6. For equipment details refer to technical specifications.
 7. Refer to relevant services schematics for pipes and duct sizes.
 8. Doors setting out by the architect.
 9. Beam dimensions and setting out by others. Beam to be coordinated with condensers location.
