Dear Planning Officer

OBJECTION TO PLANNING APPLICATION 2020/5347/P
[1 OAK HILL PARK MEWS, LONDON NW3 7LH](#)

BASIS OF OBJECTION

I have recently bought 4 Oak Hill Mews and originally chose this area of Hampstead because of the beautiful Mews area and it's open and affable environment (including the shared lawn). The objection letters of my neighbours from 7 and 8 Oak Hill Mews have been shared with me, and I fully appreciate and agree with the points that they have made. While the proposed works will not impact the light entering my house, I agree that the entrance to the Mews will drastically change as a result of a tower-like structure being added to 1 Oak Hill Mews. My main concern about this proposal is that it will impact the aesthetics of the entrance and will make the pathway between the Oak Hill Park road and the Mews feel closed in before entering the lawn area.

Kind regards,

Varshika Manji
