Please consider the environment before printing this email.

The majority of Council staff are now working at home through remote, secure access to our systems.

Where possible please now communicate with us by telephone or email. We have limited staff in our offices to deal with post, but as most staff are homeworking due to the current situation with COVID-19, electronic communications will mean we can respond quickly.

Dear Obote Hope

I have just checked the planning application documents site.

It appears that only page 1 (of four pages) of my letter dated 21st February has been posted (together with the land registry plan).

Could you please kindly ensure that the complete letter is made available.

I am attaching it again.

Thank you.
