

The contractor is responsible to ensure that no products are to be utilised that do not comply with the relevant standards. The contractor shall ensure that all products are of the correct specification and are suitable for the intended use. The contractor shall ensure that all products are of the correct specification and are suitable for the intended use. The contractor shall ensure that all products are of the correct specification and are suitable for the intended use.

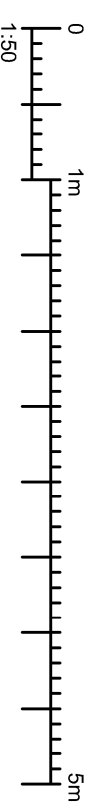

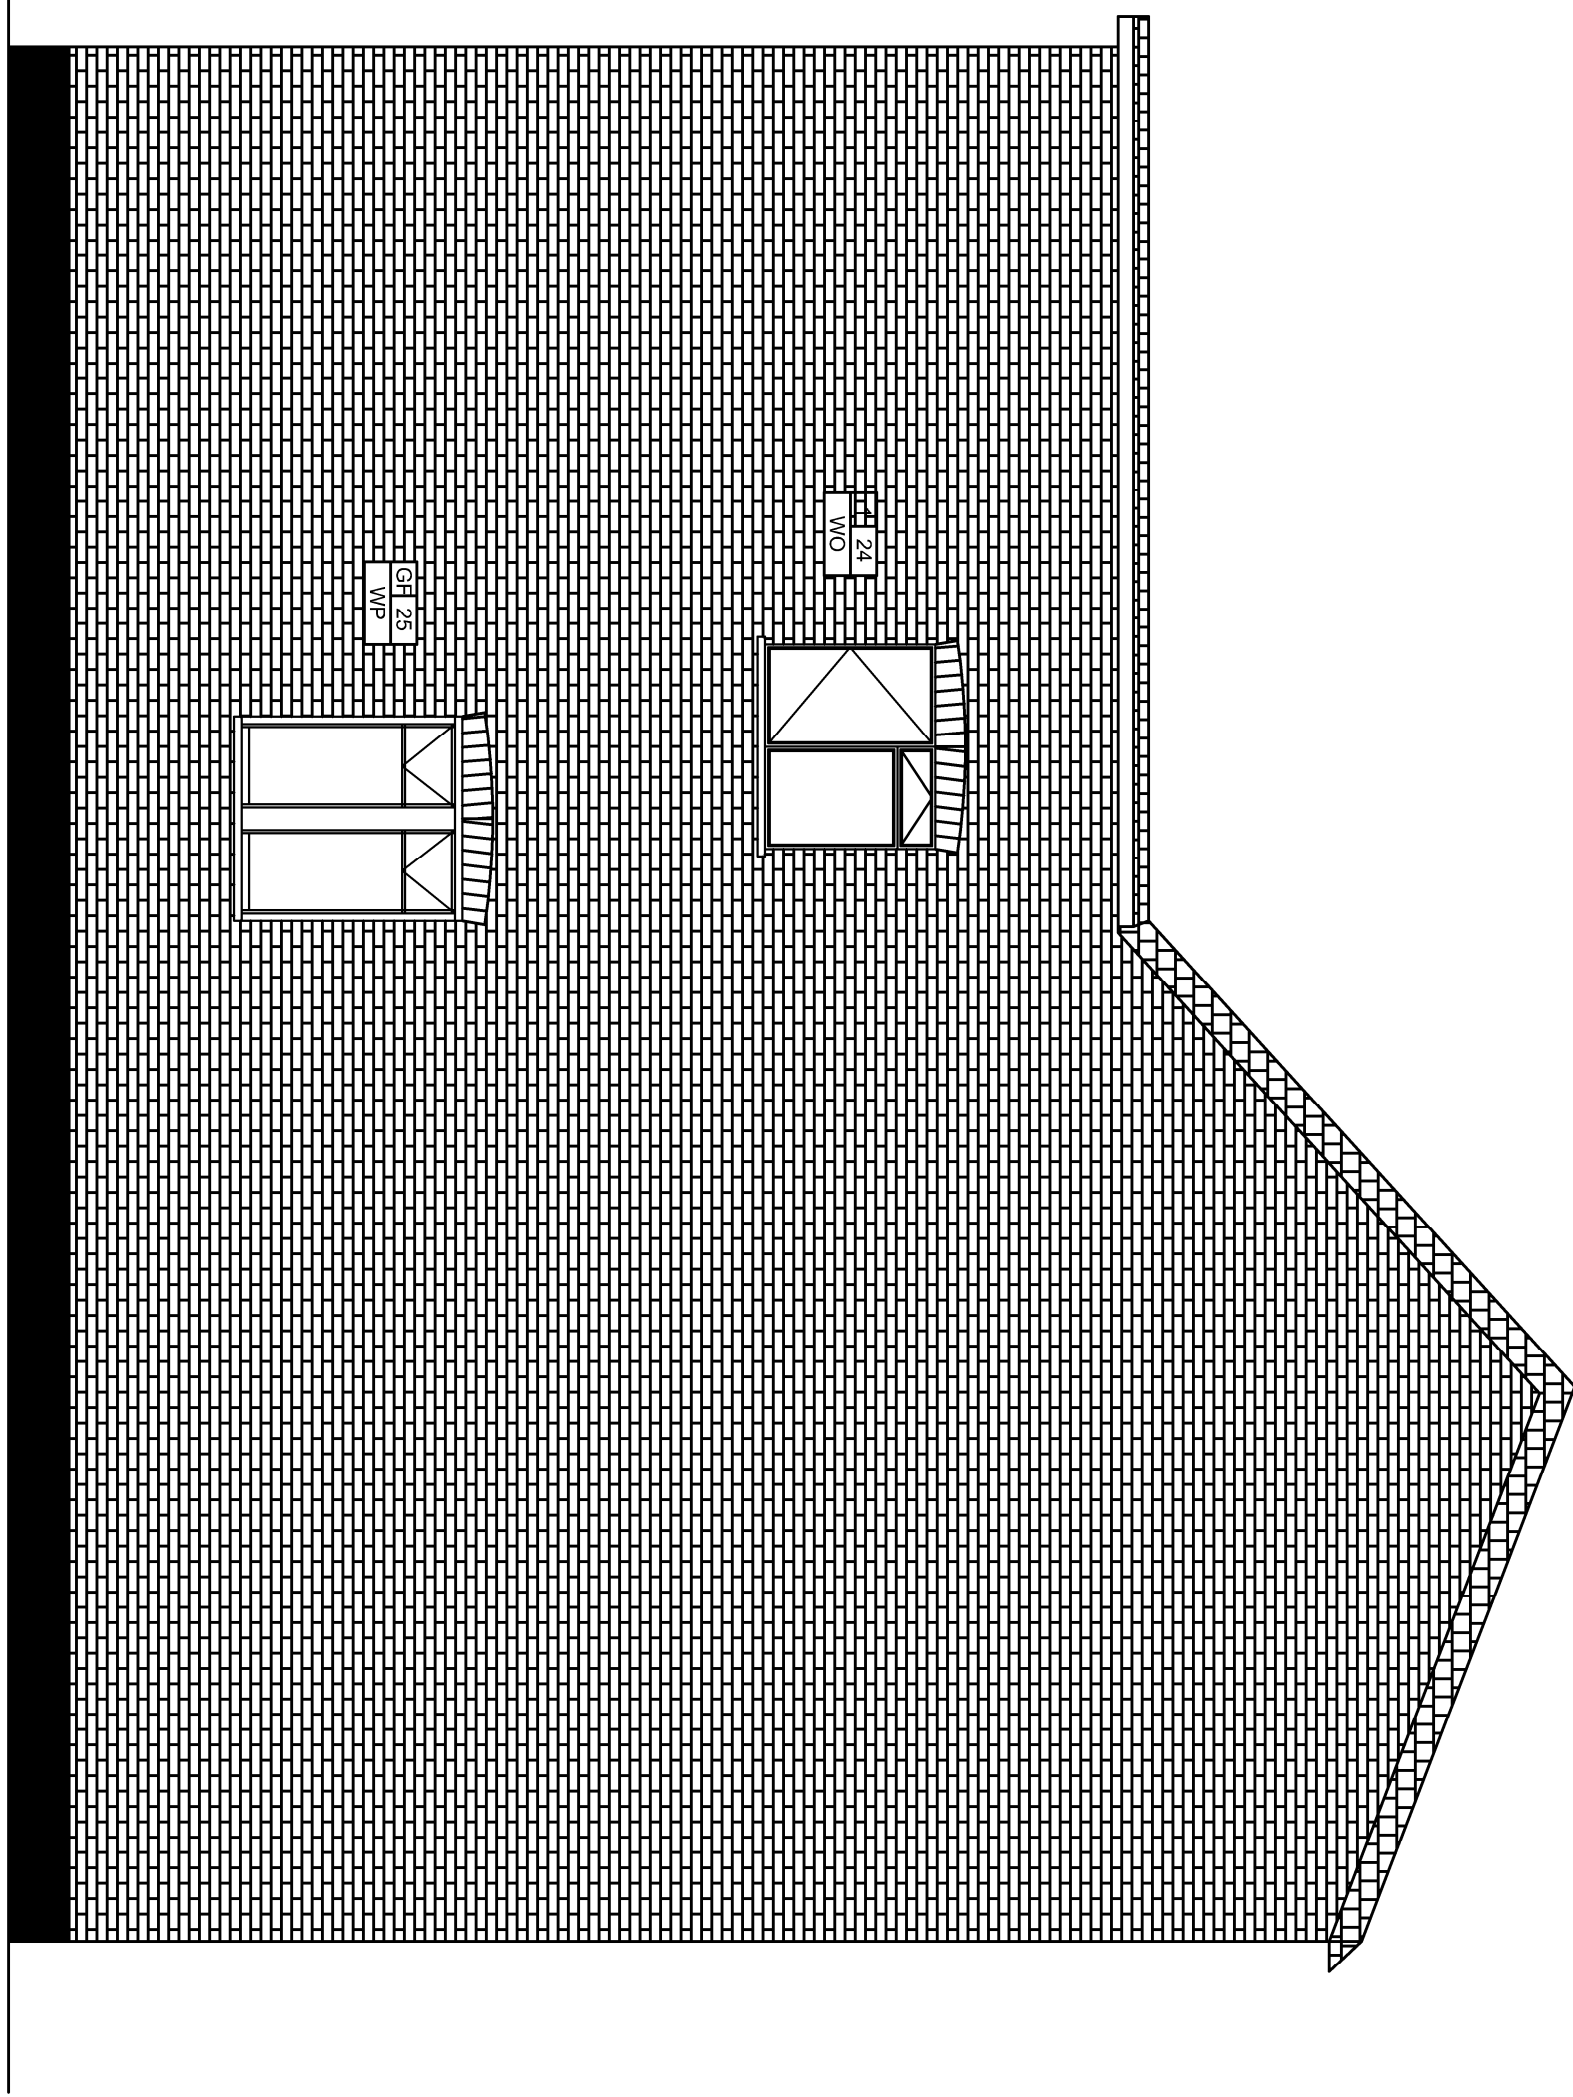

The contractor is responsible for checking dimensions, tolerances, levels and references. This drawing is to be read in conjunction with all relevant consultation or specialist drawings. Any discrepancy to be notified to Baily Garner LLP and rectified before proceeding with the works on site or shop drawings.

Where an item covered by drawings to different scales, the larger scale drawing is to be worked to.

Do not scale drawings. Figured dimensions to be worked to in all cases.
