

The contractor is responsible to ensure that no products are to be utilized that do not comply with the relevant British Standards, European Standards and/or applicable Building Regulations. Construction details of the products shall be subject to the latest product specification and/or construction to be deleterious to health and safety or to the durability of the work or not in accordance with good building practices.

The contractor is responsible for checking dimensions, tolerances, levels and references. This drawing is to be read in conjunction with all relevant consultative or specialists drawings. Any discrepancy is to be notified to Bailey Garner - LLP and rectified before proceeding with the works on site or shop drawings.

Where an item is covered by drawings to different scales, the larger scale drawing is to be worked to.

Do not scale drawings. Figured dimensions to be worked to in all cases.

This drawing and the copyrights and patents therein are the property of Bailey Garner LLP and may not be sold or reproduced without consent or attribution.
