Dear Madam,

I noticed the planning consultation note on a neighbourhood lamppost and wished to share my Support. We live along Fellows Road and often walk past 9-14 Tobin Close. We have just had a baby and nice to learn of these plans to have larger homes in the area. Families (also with a dog and cat) need space. I understand that the design is to extend from the existing and think this makes a lot of sense in design terms. Also, this will create a more even look as 9-14 seem quite a bit lower than upper Tobin Close, and dwarfed by the Dorney and Kings College Court towers.

Thank-you  
Hilla Lousky, 94 Fellows Road
