2021/0040/P	David Gough	28/02/2021 13:29:30	SUPPRT	<p>As managing agents for the freeholder of this property we confirm full support the commercial tenant's application for the relocation of plant from the current exposed location on a flat roof in close proximity to the entrance to the flat , (4a Delancey Passage) which forms the upper floors of the subject premises, to a much more shielded location attached to the ground floor rear wall of the shop that it serves. As will be seen on inspection the new location is within a private yard remote from any residential units.</p> <p>Concerns, however unfounded, relating to noise pollution can no doubt be overcome by the provision of suitable encasement as a condition of planning consent.</p> <p>Regards David Gough, Gough Commercial. tel 020 7038 3512 em. dg@goughcommercial.co.uk</p>
