2021/0058/P	Cordelia Brown	03/03/2021 14:48:15	NOBJ	<p>I am a resident of College Lane and completely support this planning application for the following reasons:</p> <ul style="list-style-type: none"> <li>-Other houses on the Lane have recently carried out development works, including loft conversions and works to the rear of their properties. This includes the next door property, 21 College Lane, where major works were carried out in recent months. This means there is precedent for development on the Lane that is in keeping with the architectural integrity of the Lane.</li> <li>-I have looked at the plans for 21A and believe they are in keeping with the architectural integrity of the lane and surrounding area, and will not impact negatively on neighbouring properties.</li> <li>-While I do not know the family well, I am aware that they are living in cramped and overcrowded accommodation, with insufficient bedrooms for the members of the family; if they were permitted to carry out the works on their property, in line with their neighbours at 21 and other houses on the Lane, they would have adequate living space for their family.</li> </ul>
