2021/0269/P	Yuri Poluneev	09/03/2021 13:39:15	SUPPRT	<p>We live in the Quickswood estate which is on the other side of Adelaide Road from 9-14 Tobin Close. Furthermore, we are one of houses which directly faces the six houses. Our back garden is roughly 35-40m away from them. We support their plan to build a 4th floor as this kind of coordinated building will set a strong example to the rest of the neighbourhood. A great show of initiative in improving the area and their joined up plan means that it will all look very good. It is also nice to have larger homes that will be more suitable for larger families. Lastly, given the distance between our houses and the presence of trees, we do not think that it will affect sunlight at all.</p> <p>Best regards</p>
