2021/0507/P	stephen ainger	26/02/2021 11:50:10	COMMNT	<p>There are only 8 files on web site and although it says these include proposed rear and side elevations the proposed elevations are not included, only the existing. In addition there is no proposed first floor plan. Only the proposed ground floor is included</p> <p>We therefore can not fully comment. From what I have seen the proposal looks poor quality for a conservation area. It does not contribute to the area</p> <p>S D Ainger</p>
