Dear Mr Kafazi

We acknowledge receipt of your online registration order ID SRO19190 and fee for this project and confirm that it is now registered with the Considerate Constructors Scheme. We will send you a VAT paid invoice in the next 2-3 working days.

According to our records, this is your first registration with the Scheme and the first stage is therefore for one of our Monitors to visit you to explain how the Scheme works, answer any questions and ensure you are prepared for your first scored visit. We will pass your contact details across to a local Monitor shortly and they will contact you directly to arrange a suitable time to meet.

This registration is set to receive 2 scored site visits.

In accordance with Government advice, from 5 November 2020 the CCS is moving to offering virtual visits only for all CCS-monitoring visits taking place during this period, inclusive of CCS-registered activity located in Northern Ireland, Scotland, Wales and the Republic of Ireland.

CCS Monitors will contact site managers using platforms such as WhatsApp, FaceTime, Microsoft Teams and Zoom to discuss the site's performance against the Scheme's Code of Considerate Practice.

Please click [here](#) for guidance on this updated process.

To make the most of your registration with the Scheme and to help you prepare for your Monitor visit, we would suggest you take some time to visit the following links:

- our [Welcome Page](#) which includes links to some key information and provides helpful guidance to get you

started

- the Scheme's [Best Practice Hub](#) for examples of construction industry best practice, case studies, campaigns and e-learning
- the main [Scheme website](#) where you will find news and information about monitoring, support, products, events, Ivor Goodsite and much more

Please let us know if you have any questions by emailing enquiries@ccscheme.org.uk or calling 0800 783 1423 for further information. In the meantime, we are delighted you have made a commitment to be a considerate constructor and we hope you will continue to register your sites with the Scheme.

Kind regards

Karen Elvidge
