Readings

- 14/12/2020  
No new concerns raised at time of
- It was not possible to install all sta within a common brickcourse. The initial readings cannot be interpreted as Distortion Data.
- Readings have been made relative to station 1. It has an assumed value of 10.0000m. If this is not appropriate, please advise if a deep datum is required.
- No further readings to be taken

Printed on 12/03/2021
