Dear Katrina Lamont

As a resident of Bonny Street which is adjacent to The Arches 30-38 at 5 Prowse Place and 156 Camden Street I would very much like to see conditions put on the change of use application being considered, namely that:

Deliveries to and collections of waste from from the premises should be restricted to [between 8.00 am and 7.00 pm](#) on standard working days.

Pedestrian access to all 3 entrances should be restricted to normal office hours

The size of vehicles delivering and distributing goods should not exceed 7.5 feet

And lastly that parking for the tenants and their customers should be provided within the gates to the premises and not on the already packed streets around them.

Thank you for making the needs of Camden residents a top priority.

Yours

Fiona Foster
