

A/C condenser units

Elevations correspond to drawings 4233/075 & 4233/076

Locations correspond to technical document TN03, revision P03

Roof Plan

NOTE:

These drawings are to be used for planning application purposes only.

A/C condenser units are not necessarily at ground floor level. This plan shows the locations only and should be cross referenced with photos and elevations to determine the heights at which the units are hung and if numerous units are hung under one and other.

Date 02/02/21	0 1 3 5 7 9 metres @ 1:100
Drawn JCW	0 1 2 3 4 5 metres @ 1:50
Checked HB	0 0.5 1 2 metres @ 1:20
	0 1 metre @ 1:10
