Re: 36-38 Fitzroy Square

I **OBJECT** to the above re-application for the following reasons:-

There has been no attempt to follow up residents' and neighbourhood views since the previous application such that **my previous objections remain**

Viz:

Educational use of any sort is unsuitable for both the site and the building

As before, there is no supporting evidence of the potential impact claims

In addition, there would be increased loss of floor space for office use, whilst the "use of office" suggestion remains disingenuous

As the application has no nominated applicant, said application cannot be considered valid
