4. Description of the Proposal

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s).

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

The shop front panels due to lack of maintenance and wear and tear had lost its functionality and it was rotten which was all hollow from the ground allowing rain to damage and wet the inside flooring.
The actual frames haven't been touched and it's only the panels and the entrance door that has been replaced.
The shape or size haven't been changed at all.
This was only to prevent the panels from falling on pedestrians hence the urgent replacement.
The colour is within the neutral colours of the local community and this was without touching any constructional walls or original frames.
