Dear Sirs,

12 Keats Grove, London NW3 2RS

I refer to the Application that has been made to Camden for 3 trees to be removed from the front garden of No.12 Keats Grove.

As you will see from my address, we are likely to be one of the houses most affected by the outcome of this Application. Please note that my Wife and I object most strongly to the removal of the tress on or close to the border of our property.

The new owners of No. 12, who are conducting substantial building works, have already removed an enormous amount of greenery and shrubs from the front garden. Enough is enough. We want to retain all the trees on our joint border.

Please note my strong objection to this Application.

Yours faithfully,

Robert Gore.
