**81 year old Margaret Sergison found she could no longer tackle her staircase, often finding herself immobile. A dangerous fall down the stairs forced her eldest son, Michael, to take action.**

He contacted Acorn Stairlifts who installed his mother's stairlift just one week later. "The difference is a blessing," says Mrs Sergison.

"I simply can't explain how much the Acorn Stairlift has helped me. Most importantly, I can stay in the home I love, which is my life."
