2021/0498/P	Mary \tucker	18/03/2021 16:29:38	INT	<p>I am concerned about this application as this property has been empty for at least 2 years, and I am concerned about what it is going to be converted into.</p> <p>I live 2 doors down at 87 , and the property between, number 89, was converted without permission from one house to 9 separate rooms and has been used as holiday lets, (and is still full of people even though no holiday lets are allowed at the moment.) The problem is that the plumbing cannot cope with all these extras W.Cs and twice my cellar has been flooded with sewage. I know the people who bought 89 wanted to buy 91 and convert it too. I am concerned that this is going to be a similar conversion - no one is living there so the people applying must be a property company. Please don't allow the disaster of 89 to happen again.</p>
