Thankyou for this planning application . Bartholomew Estate and Kentish Town have reviewed this . We are concerned the proposed extension might infringe the amount of garden allowed to be used for an extension. But are more concerned about the excavation of the basement/cellar . to which we object given ,very little information is given about this but there is nothing about the amount of excavation proposed or any precautions being taken . Our understanding is that Camden do not permit such basement development . Celia Goreham on behalf of Bartholomew Estate and Kentish Town CAAC.
