Hello,

I am contacting you regarding the planning application 2021/0970/T. 2 trees on 130 Greencroft Gardens are planned to be removed, I live on 132 Greencroft Gardens and these trees are not causing any damage, indeed it's the opposite as they contribute positively to the environment, to local wildlife in particular birds, to shade and privacy and general appearance of the area.

Please do not take them down, all the neighbourhood would be devastated.

Thank a lot for preserving our area.

Best Regards,

Ziad HOJEJ
