| 2020/2434/P | Camden Town CAAC | 22/03/2021 19:17:50 | OBJ | <p>The Committee objects to the loss of the original butterfly roofs to these two properties, and considers that the extension at the rear of the properties, which is prominent in views from both Miller Street and Arlington Road is too bulky and overbearing, with a poor design which will result in light pollution and overlooking into the Fairfield Playcentre (for primary age children). The proposed bike store on the roof terrace and amenity terraces will be very vulnerable to burglary.</p> <p>The current design neither preserves nor enhances the Conservation Area and should be refused.</p> |
