2021/0877/P	Mr A Timothy	19/03/2021 10:48:25	SUPPRT	<p>The scheme looks good and believe this will be good for the area and enhance this busy junction.</p> <p>I think it will be good to have a hotel at this site which I think can only help improve Chalk Farm which is badly needed. It is refreshing to see an alternative to the 2 new fully private residential schemes that are currently under construction across the road.</p> <p>What a nice relief to see this proposal for something different and actually something that will give back to the local economy and area especially during this current recession!!</p> <p>Strong design, concept, idea and proposal.</p> <p>I live locally and strongly support this application</p>
2021/0877/P	Ms Eloise	22/03/2021 09:21:17	SUPPRT	<p>Dear planning officer,</p> <p>I have lived locally for 20 + years and also work in the area. I strongly support this hotel.</p> <p>It will be excellent for the area in terms of jobs and redevelopment which is of course badly required at this moment in time more than ever. I am also pleased to see that it is an actual hotel operator that is developing this building.</p> <p>The design of the scheme looks very impressive. The architect seems to have done a fantastic job in proposing something in keeping with the local area.</p> <p>I am hoping you will approve this scheme and very much look forward seeing the site developed.</p> <p>Thanks,</p> <p>Ms Eloise</p>
