Ref planning applications 2021/0370/P. 2021/1075/L. 18. Grove Terrace.

Dear Mark
Ref the above application clauses.

In my role as chair of the Grove Terrace Residents Assoc. I write on behalf of the GTA to object to the above 2 clauses.
We do not believe two mansard windows for #18 would be appropriate as, in this run of Georgian houses, apart from #14, all have one centrally located mansard window. It would look architecturally out of place to suddenly have two in this run.

Apart from the above, to which we object, we feel that the alterations now proposed to #18, being inside and not involving damage to any existing structure, are probably OK even if not in keeping with the Georgian period.

Best regards
Jill Lawrence
